

Walthamstow Central Garage

6 Station Approach, Hoe Street
Walthamstow, London E17 9QF
United Kingdom

Phone: 020 3903 9846

Walthamstow Central Garage is a garage for all your servicing requirements, including engine servicing, mechanical repairs, welding, gearboxes, vehicle diagnostics, and other garage services. Providing every level of service for all makes and models of any age and condition. Our team of highly qualified and experienced technicians use the most advanced diagnostic equipment and specialist tools, partnered with the best quality parts. Working within the Walthamstow area for over 30 years. All jobs are carried out using manufacturers recommendations. We promise to repair your vehicle to the highest standards, offering clear advice and efficient solutions, enabling you to get back on the road in the shortest time possible. Whether changing a light bulb or rebuilding an engine, we take pride in the reputation and quality of both workmanship and the service we offer to all our clients.
